WAIPA Presidency Deepak Bagla announced on 28 March 2022 the appointment of Srividhya as Senior Advisor to WAIPA.

Ms. Srividhya brings to the position close to a decade of experience in multilateral affairs, with a strong focus on Investment Promotion, Public Health, and Global Economic issues.

Currently, Ms. Srividhya is leading the life science vertical at Invest India. She has played a pivotal role in leading towards policymaking, resource mobilization, and coordination in the area of Pharmaceuticals to mitigate the catastrophic impact that the COVID-19 pandemic had unleashed on India's healthcare infrastructure.

She also brings a deep understanding of the challenges faced by Global and Indian National and Sub-National Investment Promotion Agencies having conceptualized and designed capacity-building programs and interventions. She has worked extensively with the private sector and across the Americas and Western European countries and as well as with think tanks and academia to build investment institutional strength for investors and partners of Invest India.

She has widely participated and represented India in various international forums on Investments, Economic Development, and Health.

Prior to this position, she was an Investment Banker with the Development Bank of Singapore.

She holds an honors degree in Commerce and accountancy from the prestigious University of Delhi. She is fluent in English and with a working knowledge of French.
